

Tesla

Tesla does not directly purchase any 3TG materials nor deal directly with any 3TG Smelters or Refiners (SoRs). The following list represents Tesla's best understanding of the Smelters and Refiners (SoRs) potentially present in the supply chain. Due to the inherent over-reporting nature of the industry CMRT information collection process, and the nature of the supply chains and goods, we are unable to confirm this, or any, SoR listed is or was active in our supply chain. Tesla works with Tier 1 suppliers who listed this SoR, and will continue necessary follow-up action to ensure appropriate removal from our supply chain when required. Overall, we continue to engage with our Tier 1 suppliers to improve due diligence efforts and transparency.
