H. Eligibility; Inspection; Territory

Eligibility. This Agreement applies to the Covered Part of a Vehicle sold by Tesla directly to You in the available Service Region. See [Section F](#), Exclusions above.

The following conditions are required for You Vehicle to be eligible for this Agreement:

- Vehicle Delivered Within Fourteen (14) Days:** You may be eligible to subscribe to this Agreement from the Tesla app, within fourteen (14) days of accepting delivery of your Vehicle without an Inspection.
- Post-Delivery Fourteen (14) Days of Your Vehicle:** You may be eligible to subscribe to this Agreement from the Tesla app, if more than fourteen (14) calendar days have passed since you accepted delivery of your Vehicle, provided Your Vehicle passes a completed Inspection performed by Tesla.
- Paid Part Replacement:** You may be eligible to subscribe to this Agreement from the Tesla app, if you accept this Agreement within thirty (30) days of Covered Part replacement, including the purchase and installation of four (4) tires performed by Tesla.

Inspection. To determine if Your vehicle qualifies for this Agreement, You must authorize and pay Tesla to perform an inspection. If any issues are identified, You are responsible for completing the necessary repairs or services at Your own expense before subscribing. Once Your vehicle passes the inspection, You have thirty (30) calendar days to subscribe to this Agreement.

All the following conditions are required for Your Vehicle to pass Inspection:

- a) Tires and Wheels: All tires and wheels must be purchased from and installed by Tesla.
- b) Tire Condition: Tires must be free from damage or prior repair attempts. This includes, but is not limited to, puncture repairs, cracks, bends, exposed threads, and sidewall bubbling.
- c) Tread Depth: Each of the four (4) tires must have at least seventy-five percent (75%) of their original tread depth at the time on Inspection.

Territory. You must return to the Service Region in order to receive service under this Agreement.

I. Limitation of Liability

The performance of necessary repairs and parts replacement, up to one (1) Claim in any 12-month period, is the exclusive remedy under this Agreement or any implied warranties. Tesla is not obligated to provide duplicate remedies for the same issue under this Agreement and any Tesla limited warranty or service plan. Liability is limited to the reasonable price for repair or replacement of any Covered Part, not to exceed the manufacturer's suggested retail price for that part. Replacement may be made with parts of like kind and quality, including non-original manufacturer's parts or remanufactured parts.

In no event will liability for a Failure under this Agreement exceed the fair market value of the Vehicle at the time immediately preceding the Failure. In addition, the sum of all benefits payable under this Agreement shall not exceed the retail price originally paid to Tesla for the Vehicle.

Tesla does not authorize any person or entity to create for it any other obligations or liabilities in connection with this Agreement. The decision of whether to repair or replace a part or to use a new or remanufactured part will be made by Tesla, in its sole discretion.

Tesla will not pay for or reimburse You for services that are performed by any party other than a Tesla Service Center or Tesla Mobile Service. Tesla hereby disclaims any and all indirect, incidental, special and consequential damages arising out of or relating to Your Vehicle, including, but not limited to, transportation to and from a Tesla Service Center, loss of Vehicle value, loss of time, loss of income, loss of use, loss of personal or commercial property, inconvenience or aggravation, emotional distress or harm, commercial loss (including but not limited to lost profits or earnings), bus fares, vehicle rental, service call charges, gasoline expenses, lodging expenses, damage to a tow vehicle, and incidental charges such as telephone calls, facsimile transmissions, and mailing expenses.

The above limitations and exclusions shall apply whether Your claim is in contract, tort (including negligence and gross negligence), breach of warranty or condition, misrepresentation (whether negligent or otherwise) or otherwise at law or in equity, even if Tesla is advised of the possibility of such damages or such damages are reasonably foreseeable.

J. Agreement to Arbitrate

Agreement to Arbitrate. Please carefully read this provision, which applies to any dispute between You and Tesla, Inc. and its affiliates, (together "Tesla").

If You have a concern or dispute, please send a written notice describing it and Your desired resolution to resolutions@tesla.com.

If not resolved within 60 days, You agree that any dispute arising out of or relating to any aspect of the relationship between You and Tesla will not be decided by a judge or jury but instead by a single arbitrator in an arbitration administered by the American Arbitration Association (AAA) under its Consumer Arbitration Rules. This includes claims arising before this Agreement, such as claims related to statements about our products. You further agree that any disputes related to the arbitrability of Your claims will be decided by the court rather than an arbitrator, notwithstanding AAA rules to the contrary.

To initiate the arbitration, You will pay the filing fee directly to AAA and we will pay all subsequent AAA fees for the arbitration, except You are responsible for Your own attorney, expert, and other witness fees and costs unless otherwise provided by law. If You prevail on any claim, we will reimburse You Your filing fee. The arbitration will be held in the city or county of Your residence. To learn more about the Rules and how to begin an arbitration, You may call any AAA office or go to www.adr.org.

The arbitrator may only resolve disputes between You and Tesla and may not consolidate claims without the consent of all parties. The arbitrator cannot hear class or representative claims or requests for relief on behalf of others purchasing or leasing Tesla vehicles. In other words, You and Tesla may bring claims against the other only in Your or its individual capacity and not as a plaintiff or class member in any class or representative action. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy, then that claim or remedy (and only that claim or remedy) must be brought in court and any other claims must be arbitrated.

If You prefer, You may instead take an individual dispute to small claims court.

You may opt out of arbitration within 30 days after signing this Agreement by sending a letter to: Tesla, Inc.; P.O. Box 15430; Fremont, CA 94539-7970, stating Your name, Order Number or Vehicle Identification Number, and intent to opt out of the arbitration provision. If You do not opt out, this agreement to arbitrate overrides any different arbitration agreement between us, including any arbitration agreement in a lease or finance contract.

K. Change of Vehicle Ownership

If You sell or otherwise transfer ownership of the Vehicle, You must record the transfer in the Tesla App. Subject to You so advising Tesla of the transfer, Your responsibility for future Subscription Fee under this Agreement will end immediately following the date of transfer as reasonably ascertained by Tesla, and Your rights and Tesla's obligations to You under this Agreement will terminate. The new owner will have the option to continue this Agreement, with no action required by You. If You sell or transfer the Vehicle, You hereby consent to the termination of Your rights under the Agreement, and the assignment of this Agreement to the new owner.

L. Cancellation and Termination by You

By default, a cancellation by You will take effect at the end of the applicable monthly period. If You wish to terminate with immediate effect, You may contact Tesla at www.tesla.com/contactus. The amount of Your refund is subject to the following:

- a) After the Coverage Start Date: There is no refund provided for cancelation in most states after the Coverage Start Date. Residents of the following states may cancel and receive a full refund minus any claims if made within the indicated number of calendar days after the Coverage Start Date:
 - California: 60 Days
 - Missouri: 45 Days
 - Iowa, Missouri, New Jersey, Vermont and Wisconsin: 30 Days

 **NOTE:** If you wish to transfer the Agreement to a new owner, do not cancel the Agreement, see [Section K](#) above for details.

M. Cancellation and Termination by Tesla

Termination and Non-Renewal by Tesla. Tesla will not cancel this Agreement during a Monthly Term except (to the extent permitted by law) for Your failure to pay for this Agreement, or for fraud or material misrepresentation, the effective destruction of the Vehicle, other similar matters permitted by law. This may include, to the extent permitted by law:

- Defacement of the VIN so that the VIN cannot be fully confirmed;
- Alteration of the odometer including disconnection, alteration, or rendering inoperative of a related system, so that the actual mileage cannot be fully confirmed;
- Absence of clean title

Tesla will notify You at least 30 days before the cancellation takes effect but may use a shorter period, where permitted, by applicable law. Except where notice by mail or certified mail is required by law, Tesla may notify You electronically including via email or the Tesla App.

Cancellation by Tesla. Unless otherwise required by law, the refund (if any) will be calculated on a pro-rata basis reflecting the lesser of the unused days that have been paid for, less the amount of any Claims paid under this Agreement. If this Agreement is contracted in a jurisdiction where not permitted pursuant to applicable law at the time of purchase, the Agreement is void ab initio and of no force and effect, and will not be deemed a cancellation.

N. Electronic Transactions; Entire Agreement; Severability; Waiver; Governing Law

To the fullest extent permitted by law, You consent to receive this Agreement exclusively in electronic form via Your Tesla account, including any updates, disclosures, notices or other information regarding any previous, currently contemplated or future transactions between You and Tesla or its affiliates or partners relating to this Agreement. This Agreement and any Service Visits executed at the time of service constitute the entire agreement between You and Tesla with respect to the subject matter hereof and supersede all prior agreements, statements, promises, understandings, and negotiations, whether written or oral, regarding the subject matter hereof, and any terms and conditions included on Tesla's work orders, whenever delivered. This Agreement and any Service Visit cannot be amended, nor can any right be waived by Tesla, unless in writing and signed by duly authorized representatives of each party. This Agreement will be governed by the laws of the state of Your residence without regards to its conflict of law principles.
