

TESLA PANEL MOUNT LIMITED WARRANTY (USA)

Effective Date: May 7, 2026

Applies to Product: Tesla Panel Mount (see the [Tesla Panel Mount Catalog](#) for all relevant parts)

Limited Warranty

This Limited Warranty applies to the Tesla Panel Mount system (the “Racking System”).

Tesla, Inc. warrants that:

- (1) **Structural Warranty.** Your Racking System will be free from substantial defects in material and workmanship while the Racking System is installed at its original installation site, provided that the Racking System was installed in accordance with Tesla’s Panel Mount Installation Manual. The Structural Warranty runs for 25 years from the date the Racking System is installed.
- (2) **Electrical Warranty.** All accessories and electrical junction boxes in your Racking System will be free from substantial defects in material and workmanship for a period of 10 years from the date the Racking System is installed.
- (3) **Finish Warranty.** All products in your Racking System with finishes (painted, powder coated, or anodized) will be free of visible defects, peeling, and cracking under normal atmospheric conditions for a period of 5 years from the date the Racking System is installed.

Note that this Limited Warranty (including its duration) is subject to certain exclusions and limitations that are set out in detail below.

Remedies

If your Racking System fails to comply with the above Limited Warranty, Tesla will, in its sole discretion, repair or replace the defective part of your Racking System (using new or refurbished parts). If your Racking System is repaired or replaced under this Limited Warranty, the remainder of the original warranty period will apply to the repaired or replaced portion of your Racking System. The original warranty period does not extend because your Racking System is repaired or replaced. These remedies are your sole remedy, and Tesla’s sole liability, for any claims arising from or relating to the Limited Warranty or your Racking System.

What Products are Covered?

This Limited Warranty applies to any Tesla Racking System that (1) was purchased from Tesla in the United States of America; (2) has one of the product reference numbers mentioned in the [Tesla Panel Mount Catalog](#); and (3) is installed in the United States of America.

Who Can Make a Claim?

Limited Warranty claims can be made by or on behalf of the end user who acquired the Racking System for installation on his or her Home, or any subsequent owner of the Home who provides proof of ownership of the Home.

Agreement to Arbitrate. Please carefully read this provision, which applies to any dispute between you and Tesla, Inc. and its affiliates (together “Tesla”).

If you have a concern or dispute, please send a written notice describing it and your desired resolution to resolutions@tesla.com.

If not resolved within 60 days, you agree that any dispute arising out of or relating to any aspect of the relationship between you and Tesla will not be decided by a judge or jury but instead by a single arbitrator in an arbitration administered by the American Arbitration Association (AAA) under its Consumer Arbitration Rules. This includes claims arising before this Agreement, such as claims related to statements about our products.

We will pay all AAA fees for any arbitration, which will be held in the city or county of your residence. To learn more about the Rules and how to begin an arbitration, you may call any AAA office or go to www.adr.org.

The arbitrator may only resolve disputes between you and Tesla, and may not consolidate claims without the consent of all parties. The arbitrator cannot hear class or representative claims or requests for relief on behalf of others purchasing or leasing Tesla products. In other words, you and Tesla may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as injunctive or declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated.

If you prefer, you may instead take an individual dispute to small claims court.

You may opt out of arbitration within 30 days after signing this Agreement by sending a letter to: Tesla, Inc.; P.O. Box 15430; Fremont, CA 94539-7970, stating your name, product and intent to opt out of the arbitration provision. If you do not opt out, this agreement to arbitrate overrides any different arbitration agreement between us, including any arbitration agreement in a lease or finance contract.

Maintenance and Operation

Tesla’s owner’s manual (“Owner’s Manual”) for solar systems is available on [Tesla's website](#). The Owner’s Manual provides you with Racking System operation and maintenance instructions, answers to frequently asked questions, troubleshooting tips and service information. It may be updated from time to time.

If you think there is a problem with your Racking System, you may call us. As a first step we will try to remotely diagnose and resolve any problems. If we determine that there is a problem but we cannot resolve the specific problem remotely, we will send a qualified Racking System professional to your Home. If repairs are needed and covered by this Limited Warranty, you will not be charged for the repairs. If repairs are not covered by this Limited Warranty, we will charge you our then-current site visit fee plus the cost for any work you authorize us to do.

Limitations and Disclaimer

THIS LIMITED WARRANTY IS THE ONLY EXPRESS WARRANTY MADE IN CONNECTION WITH YOUR RACKING SYSTEM. Any other warranties, remedies and conditions, whether oral, written, statutory, express or implied (including any warranties of merchantability and fitness for purpose, and any warranties against latent or hidden defects) are expressly disclaimed. If such warranties cannot be disclaimed, Tesla limits the duration of and remedies for such warranties to the durations and remedies described in this Limited Warranty.

Relationship with Applicable Law

This Limited Warranty gives you specific rights, and you may also have other rights which vary from state to state. For example, some states do not allow limitations on how long an implied warranty lasts, meaning the limitations in the “Limitations and Disclaimer” section above may not apply to you. The terms of this Limited Warranty will apply to the extent permitted by applicable law. For a full description of your legal rights you should refer to the laws applicable in your jurisdiction.

General Exclusions

In addition, this Limited Warranty does not cover (a) conditions at your Home not caused by our breach of this Limited Warranty, including, but not limited to, unpermitted conditions, improper electrical wiring, defects in the roof structure that cause it to sag over time, chimney or exhaust vent heights that are reduced by your Racking System, cracked or crumbling masonry, or inadequate attic ventilation; (b) normal wear and tear, or superficial defects, dents or marks that do not impact the performance or functionality/integrity of your Racking System; (c) damage or deterioration that occurs after the expiration or voiding of all or part of the Limited Warranty; or (d) theft or vandalism of your Racking System or any of its components.

Modifications and Waivers

No person or entity, including a Tesla employee or authorized representative, may modify or waive any part of this Limited Warranty, or make any additional promises to you about the Racking System that are not in this Limited Warranty. Tesla may occasionally offer to pay some or all of the cost of certain repairs that are not covered by this Limited Warranty, either for specific Racking System models or on an ad hoc, case-by-case basis. Tesla reserves the right to do so without incurring any obligation to make a similar payment to other Racking System owners.

Limitation of Liability

TESLA IS NOT LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THIS LIMITED WARRANTY, REGARDLESS OF THE FORM OF ACTION AND REGARDLESS OF WHETHER TESLA HAS BEEN INFORMED OF, OR OTHERWISE MIGHT HAVE ANTICIPATED, THE POSSIBILITY OF SUCH DAMAGES. TESLA IS NOT LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY, PUNITIVE, OR OTHER DAMAGES OF ANY KIND RELATING TO ANY DAMAGE TO YOUR HOME OR TO YOUR HOME'S CONTENTS WHETHER FOR BREACH OF THIS LIMITED WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER CLAIMS DERIVED IN TORT OR FOR ANY OTHER CAUSE. TESLA'S AGGREGATE LIABILITY ARISING OUT OF ALL CLAIMS MADE UNDER THIS LIMITED WARRANTY AND ALL CLAIMS MADE UNDER ANY PURCHASE AND INSTALLATION CONTRACT FOR YOUR RACKING SYSTEM WILL NOT EXCEED THE AMOUNT YOU PAID FOR YOUR RACKING SYSTEM.

SOME STATES DO NOT ALLOW, OR RESTRICT, THE EXCLUSION OR LIMITATION OF DAMAGES, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU, OR MAY ONLY APPLY TO A LIMITED EXTENT.

Governing Law

All matters arising under or relating to this Limited Warranty shall be governed by the internal substantive laws of the state where your Racking System is installed, except to the extent inconsistent with or pre-empted by federal law and without regard to the state's choice of law rules. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

Claims Process

In order to make a claim under this Limited Warranty, please contact us as soon as possible after discovering the problem. Please have available (i) your name, address and a description of the alleged failure(s), (ii) any pictures or other materials you have that show the problem, and (iii) your Racking System' original installation date (if known).
